

World Hold on (Children of the Sky) (Club Mix 1)

Bob Sinclar

Oh yeah, yeah
Open up your heart, what do you feel
Open up your heart, what do you feel, is realThe big bang may be a million years away
But I can't think of a better time to sayWorld, hold on
Instead of messing with our future, open up inside
World, hold on
Wonder you will have to answer to the children of the skyWorld, hold on
Instead of messing with our future
Tell me no more lies
World, hold on
Wonder you will have to answer to the children of the skyChildren of the sky
Children of the skyLook inside, you'll find a deeper love
The kind that only comes from high aboveIf you ever meet your inner child, don't cry
Tell them everything is gonna be alrightWorld, hold on
Instead of messing with our future, open up inside
World, hold on
Wonder you will have to answer to the children of the skyWorld, hold on
Come one, everybody in the universe, come on
World, hold on
Wonder you will have to answer to the children of the skyChildren of the sky, alright
Open up your heart
Tell me, how do you feelListen now, tell them everything, right here right now
Alright, everybody, here in the world
You are all the children, alrightTogether now, unite, and fight, oh
Open up you heart, no, peace, love for everyoneOh, no no no no no, alright, to the four corners of the world
Sing it loud, sing it loud, sing it loud loud loud
world hold on onsing it loud, sing it proud
everybody, yeah yeah yeah yeah, oh
Don't take no for an answer, no no, not todayRight here,spread love, everybody join together now
One race, one heart, love and unity, everybody sing
yeah!World, hold on
Come one, everybody in the universe, come on
World, hold on
Wonder you will have to answer to the children of the skyWorld, hold on
Come one, everybody in the universe, come on
World, hold on
Wonder you will have to answer to the children of the sky
