

Feel That Fire

Orange Grove

can you feel that fireâ€”
can you feel itâ€™s heat
â€”they musta been certain, di massives dem burnin di massives dem earnin
â€”can you feel that fireâ€”
can you feel itâ€™s heatâ€”
they musta been certain, di massives dem burnin di massives dem earnin

buildings all around me can hardly see the sun anymore
â€”darkness surrounds me will it ever be like it wasâ€” before
back inna di days when di bushes that we played in would stretch out to di hills there were rivers you could
bathe in
now thereâ€™re only parks itâ€™s not safe after dark
and dem same bushes dat we played in are covered up in pavement

you canâ€™t get away from this oneâ€”
you canâ€™t run away from this oneâ€”
this one you canâ€™t get away from this one ya canâ€™t escape fromâ€”

i can feel it all around me but iâ€™m not here to shed their tearsâ€”
theyâ€™ve crossed every boundary and weâ€™re not letting dem back in here
â€”pass me di hamma dready pass mi di nailâ€”
pass us a bucket now we haffi help bailâ€”
pass dem a dunse-hat bullship done set sailâ€”
now who donâ€™t know babylon system a fail

you canâ€™t get away from this oneâ€”
you canâ€™t run away from this oneâ€”
this one you canâ€™t get away from this one ya canâ€™t escape fromâ€”
you canâ€™t get away from this oneâ€”
you canâ€™t run away from this one
â€”this one you canâ€™t get away from this one ya canâ€™t escape from

dem always untrueâ€”
dem always unfairâ€”
and everyting dem do is always kept unclearâ€”
dem always untrue
â€”dem always unfair
â€”and everyting dem do is always kept unclearâ€”
dem always untrueâ€”
dem always unfairâ€”

and everyting dem do is always kept unclearâ€
dem always untrueâ€
dem always unfairâ€
and everyting dem do is always kept unclear
