

# Confusion (Outputs Nu-Rocktro Version)

## New Order

(Confusion) you just can't believe me  
(Confusion) when I show you what you mean to me  
(Confusion) you just can't believe me  
(Confusion) when I show you what you cannot see You're hiding from feelings, searching for more  
Sharing and hoping, untouched for so long  
Our lives still change from the way that we were  
And now, I'll tell you something I think you should know You just can't believe me  
When I show you what you mean to me  
You just can't believe me  
When I show you what you cannot see  
(Confusion) you just can't believe me  
(Confusion) when I show you what you mean to me  
(Confusion) you just can't believe me  
(Confusion) when I show you what you cannot see  
You just can't believe me  
When I show you what you mean to me Confusion  
Confusion  
Confusion You caused me confusion, you told me you cared  
He's calling these changes that last to the end  
Ask me no questions, I'll tell you no lies  
The past is your present, the future is mine You just can't believe me  
When I show you what you mean to me  
You just can't believe me  
When I show you what you cannot see  
(Confusion) you just can't believe me  
(Confusion) when I show you what you mean to me  
(Confusion) you just can't believe me  
(Confusion) when I show you what you cannot see  
You tell me you need me, I'll make it this time  
The thread won't divide us, the sensation survives  
I was sure that I told you, it was good from the face  
You've caused me some problems, you've taken my place Why can't you see what you mean to me?  
Why can't you see? why can't you see?  
Why can't you see what you mean to me?  
Why can't you see? why can't you see?  
Why can't you see what you mean to me?  
Why can't, why can't, why can't, why can't  
Why can't, why can't, why can't, why can't  
Why can't you see what you mean to me?
