

Sushi

Kyle Andrews

Wooh! Wooh! I'm swimming in the ocean
Of pillow case blue
And I sink so deep in you
You gonna save me or not? Could we have a moment?
Could we have a moment?
It feels so real
I'm picking out a blossom
I pin it on the wall
It feels so real, so real Wooh! Wooh! I'm giving you a haircut
Walking to the sushi bar
Shopping at the goodwill
Learning how to swing dance
And I sink so deep in you
You gonna save me or not? Could we have a moment?
Could we have a moment?
It feels so real
I'm picking out a blossom
I pin it on the wall
It feels so real
It feels so real Wooh! Wooh! I'm swimming in the ocean
Of pillow case blue
And I sink so deep in you
You gonna save me or not? You gonna save me or not?
You gonna save me or not? Could we have a moment?
Could we have a moment?
It feels so real
I'm picking out a blossom
I pin it on the wall
It feels so real
It feels so real (It feels so real)
