

# Fight for Life

Carlos Jean

Remember the days  
when it was safe to dream awake  
We designed a land  
where every child would like to stay  
With no fear of heights  
we climbed up the tallest tree,  
with a better view  
We have the power to control  
the rules of a place weâ€™ve been only looking for  
Itâ€™s up to us to build a new world  
We need to be this worldâ€™.  
So come on, donâ€™t be scared, we are taking off

Coz without love weâ€™ll never be the same eh eh, ( never be the same )  
Coz without hope weâ€™ll never be strong oh oh..( will never be strong )  
You need to fight for life for saving your soul  
You need to fight for life for saving your soul

Take this first step  
to change the colors someone set  
draw your own lines  
While thereâ€™s hope, there`s Loveee  
We need to be this worldâ€™.  
We have the power to control  
We need to be this worldâ€™.  
So come on, donâ€™t be scared, we are taking off  
Coz without love weâ€™ll never be the same eh eh, ( never be the same )  
Coz without hope weâ€™ll never be strong oh oh..( will never be strong )  
You need to fight for life for saving your soul  
You need to fight for life for saving your soul  
You need to fight for life, You need to fight for life  
the rules of a place weâ€™ve been only looking for  
Itâ€™s up to us to build a new (world)

---
