Nemesis

Arch Enemy

We walk this earth
With fire in our hands
Eye for an eye
We are nemesisWe are with you
Countless vicious souls
Fight, fighting for freedom
United, we stand, we standWe are a legion
Voice of anarchy
This is revolution
Creating new disorderWe are enemy
Opponent of the system
Crushing hypocrisy
Slaying the philistineOne for all, all for one
We are strong, we are one
One for all, all for one
We are one nemesisA malicious fever burns
In our heart, in our veins
Your blood, my blood
Our blood runs the sameOne for all, all for one
We are strong, we are one
One for all, all for one
We are one nemesisOne for all, all for one
We are strong, we are one
One for all, all for one
We are one nemesis
