

# Nemesis

## Arch Enemy

We walk this earth  
With fire in our hands  
Eye for an eye  
We are nemesis We are with you  
Countless vicious souls  
Fight, fighting for freedom  
United, we stand, we stand We are a legion  
Voice of anarchy  
This is revolution  
Creating new disorder We are enemy  
Opponent of the system  
Crushing hypocrisy  
Slaying the philistine One for all, all for one  
We are strong, we are one  
One for all, all for one  
We are one nemesis A malicious fever burns  
In our heart, in our veins  
Your blood, my blood  
Our blood runs the same One for all, all for one  
We are strong, we are one  
One for all, all for one  
We are one nemesis One for all, all for one  
We are strong, we are one  
One for all, all for one  
We are one nemesis
