Two

Lenka

Two, now that I'm with you
Another point of view
Instead of what I knew
Oh two, whatever will we do
I don't see a way through
But you're the one I chooseI never knew what double could do
But things are better, so much betterHold me closer, never let me go
I don't want any other, baby
Two is the one, two is the one
I was lonely, never had nobody
But now I've got double, baby
Two is the one, two is the one for meOne, never had so much fun
Staying up till sun
Banging on my own drum
One, always looking for love
And ending up with none
Made me come undoneI never knew what double could do
But things are better, so much better with twoHold me closer, never let me go
I don't want any other, baby
Two is the one, two is the one
I was lonely, never had nobody
But now I've got double, baby
Two is the one, two is the one for meTwo, a couple, not a few
Well, this is something new
If I can deal with it then so can youI never knew what double could do
But things are better, so much betterHold me closer, never let me go
I don't want any other, baby
Two is the one, two is the one
I was lonely, never had nobody
But now I've got double, babyI never knew what double could do
But things are better, so much better with twoSo much better with two
So much better with two
So much better with two
