

Your Hand, Your Heart, Your Love

[Andy Williams](#)

Your hand, your heart, and your love
On these three things
I've built my dreams
I've built my dreams..
Your hand, your heart, and your love
That's all I long
Long to possess
No more, no less...
If I had forever
What nothing else to do
There still wouldn't be
Enough time for me to
Show my love for you..
In your arms, on your lips
Heaven lies
But there is no pride
I place so much
Your hand, your heart, and your love...
