

# Thotful

## Cody Simpson

She's like a medicine to a sick man,  
She'll be your river, so flow with her if you want  
She's like a diamond to a rich man,  
She'll be all you need when you've got everything and more  
She'll be anything to anyone,  
But she gives nothing back to meShe's so thotful, yeah  
Thotful as she can be oh no no no  
She's so thotful, but she don't ever think about meLalalalalalala lalalalala  
She's so thotful, oh no no no  
She don't ever think about meShe gets her looks right from her mama's side, all right  
Her eggs are fried, but she will smile and heat your tea  
She makes you wish upon a dandelion,  
While she picks the money off your treeShe'll be anything to anyone,  
But she gives nothing back to meShe's so thotful, yeah  
Thotful as she can be oh no no no  
She's so thotful, but she don't ever think about meLalalalalalala lalalalala  
She's so thotful, oh no no no  
She don't ever think about meBreak it down now,  
Oh nahI told her when I grow up, I would be a star  
So she went down the road, and pawned my guitar  
And said, "Stay home and don't be a fool"  
Then I see her round the corner with a you know who  
My man big Lou,  
Rolls Royce, top choice  
Got a couple houses and a whole lot of toys  
But she don't wanna play with mine,  
no she don't no no no  
No she don't wanna play with mineShe'll be nice enough to everyone she meets,  
Then she'll cut them till they bleed  
Cause she's so thotful, yeah yeah  
Thotful as she can be  
OH she's so thotful, but she don't ever think about me  
She don't ever think about me, yeah
