Dance With Me

Alphaville

When the heat of light melts
Into the speeding time

When the king returns

From the ivory city sideLet the magnet images

Wave the signals, flashing, oh, so fast

Then you'll meet me there

Under the moonshineIn a lover's heaven

We'll keep our promises at last

In a lover's heaven

We'll forget the pastDo you want to dance with me

Through one of those lonely nights?

It's more than a dream

Maybe we're reaching the gardens of delightDo you want to dance with me

Through one of those lonely nights?

It's more than a dream

Maybe we're drowning in empires of delightIn the stardust dawn

Underneath the crystal roofs

Where the solar boys are playing games

And they never loseWhere the sailors are swaying

Through the light domes

Shining from the skies

There you'll meet me, darling, anywayIn a lover's heaven

We'll keep our promises at last

In a lover's heaven

We'll forget the pastDo you want to dance with me

Through one of those lonely nights?

It's more than a dream

Maybe we're reaching the gardens of delightDo you want to dance with me

Through one of those lonely nights?

It's more than a dream

Maybe we're drowning in empires of delightIn a lover's heaven

We'll keep our promises at last

In a lover's heaven

We'll forget the pastDo you want to dance with me

Through one of those lonely nights?

It's more than a dream

Maybe we're reaching the gardens of delightDo you want to dance with me

Through one of those lonely nights?

It's more than a dream

Maybe we're drowning in empires of delightDo you want to dance with me
Through one of those lonely nights?

It's more than a dream

Maybe we're drowning in empires of delightDo you want to dance with me Through one of those lonely nights?
