

One of Those

Canaan Smith

You know that ball cap, blue jeans
White tee, average joe
I'm one of those
Beer slammer, all dammer
Gear jammer in a cloud of smoke
Yeah, I'm one of those
Raised on the Bible
But there's some devil in my bones
Oh, love it or hate it
I'm one of those

If that's what you're looking for
Baby, you found it
Straight down the middle
Ain't no way around it
If you want the kind of man
Who ain't never gonna let you go
Baby, I'm one of those

Record turnin', candle burnin'
Make it worth it when the lights get low
You know I'm one of those
Remind you you're the most beautiful
Unusual piece of heaven I've ever known
Any man would feel lucky just to hold you darlin'
I'm one of those

If that's what you're looking for
Baby, you found it
Straight down the middle
Ain't no way around it
If you want the kind of man
Who ain't never gonna let you go
Baby, I'm one of those

Little rough around the edges
But if you let me, I can love you good and slow
Don't look any further baby
'cause I'm one of those

If that's what you're looking for
Baby, you found it
Straight down the middle
Ain't no way around it
If you want the kind of man
Who ain't never gonna let you go
Baby, I'm one of those

Yes, I am, I'm one of those
I'm one of those
