Misty

Staton, Dakota

Look at me
I'm as helpless as a kitten up a tree
And I feel like I'm clinging to a cloud
I can't understand
I get misty just holding your hand
Walk my way
And a thousand violins begin to play
Or it might be the sound of your hello
That the music I hear
I get misty the moment you're near
You can say that you're leading me on
But it's just what I want you to do
Don't you notice how hopelessly I'm lost?
That's why I'm following you
On my own
Would I wander through this wonderland alone?
Never knowing my right foot from my left
My hat from my glove
I'm too misty and too much in love
You can say that you're leading me on
But it's just what I want you to do
Don't you notice how hopelessly I'm lost?
That's why I'm following you
On my own
Would I wander through this wonderland alone?
Never knowing my right foot from my left
My hat from my glove
I'm too misty and too much in love
I'm too misty and too much in love
