## The Apex Theory

Prepare to suffer in a turbulent sea  
You saw the spirit and  
You're an ugly attack on wheels Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules Beginning to starve myself  
A minor example to illustrate  
You sought to escape  
The autumns changed  
Order of the day Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules Nationalism is rising  
Developing aspirations Prepare to suffer in a turbulent sea  
You saw the spirit and  
You're an ugly attack on wheels Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules Nail biting never taste so good  
Power lines big schedules  
Nail biting never taste so good  
Power lines big schedules Organic, dynamic, exuberant  
Organic, dynamic, exuberant
