So Little to Give

Creeper Lagoon

If you'll leave here she said
Turn the lights off, I'm alone again
Every place that I go
Reminds me of you, you knowI'm asking a lot
For someone who's got
I'm asking a lot
With so little to give
So little to giveOn my side, I can't deny
I see your face in the back of my mind
And in between every scene
There's a spot where she's kissing meI'm asking a lot
For someone who's got
I'm asking a lot
With so little to give
So little to giveDon't worry it's all okay
It all turns to ash anyway
Burning fire twilight all nightEverywhere that I stare
Only see roads leading to nowhere
In the end I'm just a friend
Whose song is just slowly drifting away againI'm asking a lot
For someone who's got
And I'm asking a lot
With so little to give
So little to giveYou know I love you
Are the last words
Before the knife goes in
