

# I Gotta Go

## Sexy Sadie

Go! I don' t know where we can go but we will  
look for that place where everything is grass and  
trees and thoughts have wings

Go! ' Cause I gotta go

Go! To look for the place where you can run  
f nacked and girls are slaves ofmen and that's not hell

Go! 'Cause I gotta go

We're not going if you don't

We ' re not going without you. ..
