## **Strict Machine**

## **Goldfrapp**

I get high on a buzz
Then a rush when I'm plugged in you
I connect when I'm flush
You get love when told what to doWonderful electric
Wonderful electric
Wonderful electric

Cover me in youI'm in love, I'm in love I'm in love with a strict machine

I'm in love, I'm in love

I'm in love with a strict machineWhen you send me a pulse Feel a wave of new love through me

I'm dressed in white noise

You know just what I want, so pleaseWonderful electric

Wonderful electric

Cover me in youI'm in love, I'm in love I'm in love with a strict machine

I'm in love, I'm in love

I'm in love with a strict machineI'm in loveI'm in love, I'm in love
