

# You're Welcome (feat. Lin-Manuel Miranda)

## Jordan Fisher

I see what's happening here  
You're face-to-face with greatness and it's strange  
You don't even know how you feel, it's adorable  
It's nice to see that humans never change  
Open your eyes, let's begin  
Yes it's really me, breathe it in  
I know it's a lot, the hair, the bod  
When you're staring at a demigod  
So what can I say except "You're welcome"  
For the tide, the sun, the sky  
Hey, it's okay, it's okay, you're welcome  
I'm just an ordinary demi-guy  
What can I say except "You're welcome"  
For the tide, the sun, the sky  
Hey, it's okay, it's okay, you're welcome  
I'm just an ordinary demi-guy  
Honestly, I can go on and on  
I could explain every natural phenomenon  
The tide, the grass, the ground  
Oh, that was me I was messing around  
I killed a snake, I buried its guts  
Sprouted a tree, now we've got coconuts  
What's the lesson? What is the takeaway?  
Don't mess with Maui when he's on the breakaway  
And the tapestry here in my skin  
Is a map of the victories I win  
Look where I've been I make everything happen  
Look at that mean mini Maui just tikkity tappin'  
Singing and scratchin'  
Flipping and snappin'  
People are clappin', hearing me rappin'  
Bring the chorus back in  
Well anyway, let me say you're welcome  
For the wonderful world you know  
Hey, it's okay, it's okay you're welcome  
Well, come to think of it, I gotta go  
Hey, it's your day to say you're welcome  
'Cause I'm gonna need that boat  
I'm sailing away, away, you're welcome  
'Cause Maui's the ultimate god woah  
You're welcome, you're welcome
