Stand Up For Rock 'n' Roll

[Airbourne](#)

Alright people, welcome to the show
Are you ready to rock? Are you ready to go?
Yeah, we've got what you want and we've got what you need
So, get your ass down here and let your ears bleed
C'mon, drink your beer, drink your wine
Let's have a good time
We're ready, so get ready
We're gonna rock, rock tonight
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Forget about the neighbors, let 'em cry all night
Yeah, it's about time that we set them alight
If you've got a match then we've got the gas
Let's start a fire and have ourselves a blast
C'mon, drink your beer, drink your wine
Let's have a good time
We're ready, so get ready
We're gonna rock, rock tonight
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up, stand up, oh, stand up
C'mon, stand up for rock 'n' roll
We're ready, so get ready
We're gonna rock, rock tonight
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Stand up for rock 'n' roll
Rock 'n' roll, rock 'n' roll
For rock 'n' roll, yeah
Stand up for rock 'n' roll

Stand up for rock 'n' roll
