

Hang On To Your Love (Matthew Kyle For Love Mix)

Sade

How could you
You are the river
Pour out of this lifeHow could you
You are the morning bird
Who sang me into life every day
Fly awayYou are the blood of me
The harvest of my dreams
There's nowhere I can find peaceAnd the silence won't cease
Nothing's quite how it seems
The ghost of my joy
Won't let me be
