Spend Time

Guy

All I wanna do is spend time with you
Let me show you, we can go on and on till the break o'dawnStep into the vibe, swing the episode
Take it to the bridge, I wanna take you out
Step into the vibe, swing the episode
Take it to the bridge, I wanna take you outOh, I just get so excited baby
Think about a day with you and all the fun things that we can do
And you make me feel so excited, lady
And you ignite the spark that burns deep inside my heartAll I wanna do is spend time with you, we'll go on and on and on
'Til the break of dawn
All I wanna do is spend time with you, we'll go on and on and on
'Til the break of dawnWe don't have to get sexual, baby
I wanna take walks in the park, and we'd wine and dine until it's dark
I just wanna be with you girl
And I'll cherish every moment as if it was the end of the worldAll I wanna do is spend time with you, we'll go on and on and on
'Til the break of dawn
All I wanna do is spend time with you, we'll go on and on and on
'Til the break of dawnUh huh, step into the vibe, swing the episode
Take it to the bridge, I wanna take you out
Uh huh, step into the vibe, swing the episode
Take it to the bridge, yup yupAll I wanna do is spend time with you, we'll go on and on and on
'Til the break of dawn
All I wanna do is spend time with you, we'll go on and on and on
'Til the break of dawnAll I wanna do is spend time with you, we'll go on and on and on
'Til the break of dawn
All I wanna do is spend time with you, we'll go on and on and on
'Til the break of dawnAll I wanna do is spend time with you
All I wanna do is spend time with you, baby
As we can go on 'til the break of dawn
All I wanna do is spend time with you
I just wanna make love to your mind
Penetrating your inner soul, you knowAll I wanna do is spend time with you
And we can have a candlelight night
And as I whisper in your ears, you have no fears
All I wanna do is spend time with you
It's about time we get to each other, elevating our climax
Elevating our fantasiesG-U-Y
