

# Unpredictable You

Natalie Cole

Written by c. jackson & marvin yancy  
I never know what you're thinking  
I never could read your mind  
I never know when I'll see you again  
You might stop by but any time  
You tell me we're going out on the town  
And you won't be ready when you call  
Sometimes you come later than you said you would  
Bless your heart, sometimes you don't come at all  
(unpredictable you) ha, ya (never know what you do) oh, you  
(unpredictable you) but I love you, yes I do (yes I do)  
You change like the weather, ha  
And you're always on the go, woh, woh, woh  
You're like a wheel of fortune, but when you're gonna stop nobody knows  
But I can't help but love you, you, you're surely part of me  
And if it's gonna be like this forever, well, then I'll say just let it be, let it be  
(unpredictable you) jive turkey (never know what you'll do) yeah, yeah  
(unpredictable you) but I love you, yes I do (yes I do)  
I do, wooh, wooh, wooh, oh, love  
Hoo, ah---, yeah---  
(unpredictable) you change like the weather  
(unreliable) see you whenever  
(undependable) you never keep a promise  
(unforgettable) but I love you, I love you  
(unpredictable) you change like the weather  
(unreliable) ha, see you whenever  
(undependable) you never keep a promise  
(unforgettable) but I love you, I love you, hoo  
(unpredictable) baby, can you hear me?  
(unreliable) oh, oh, oh  
(undependable) undependable you  
(unforgettable) unforgettable you  
(unpredictable) unpredictable you  
(unreliable) unreliable you  
(undependable) undependable you  
(unforgettable) baby, can you hear me?  
(unpredictable) unpredictable you  
(unreliable) unreliable you

(undependable) undependable you
