Girlfriend

ë°•ìž¬ë²”

[Lupe Fiasco]We gon do what we say,
see us when see that again, call us instant replay (2x)
cop a coupe and then recoup, we call it instant replay
say hello to your goodbyes, we continue to heat wave, Chris!
[Chris Brown]From VA to Chicago in a murcielago, pretty lil model, model, model
Follow me where I go, it look like a slide show,
it look like a slide show, follow me where I go
My chain look like a car show, her body like a bottle
Pretty lil model, model, model
that's why this dude is trippin
Steady investigating, being a situation (waitin', hatin')
[Chorus]I Don't want your girlfriend (No!) (3x)
I don't want your girl, but she like
la la la la la la (4x)
I Don't want your girlfriend (3x)
I don't want your girl, she in my
la la la la la (4x)
Damn your girl be drankin', why she steady sippin
I see she got that feelin, I guess that why he mad for
Cause you more than he ask for, Why you hella mad bro, mad bro, mad bro?
My chain look like a car show, her body like a bottle
Pretty lil model, model, model
that's why this dude is trippin
Steady investigating, being a situation (waitin', hatin')

[Chorus]I Don't want your girlfriend (No!) (3x)
I don't want your girl, but she like
la la la la la la (4x)
I Don't want your girlfriend (3x)
I don't want your girl, she in my
la la la la la (4x)
[Lupe Fiasco]Shot town down to VA, slept, walk out them PJ's
Pockets smell like females so I fed them cheesecake
She wanna know how these taste, she gave me the please face
I gave her the leave face, she know what think like Gene Grey
Stepped on in so cleanly, mastermind in yeezy
Your diamonds aint got no class, we call them dr. Kingly
Our watches got them scholarships, we knowledge that
She fine yo, but we don't want your baby girl, we will take

all your shine though.
[Chorus]I Don't want your girlfriend (No!) (3x)
I don't want your girl, but she like
la la la la la la (4x)
I Don't want your girlfriend (3x)
I don't want your girl, she in my
la la la la la (4x)
Don't want your girl [4x]
Why she singing just like'
