Sassy

Kat Graham

Mirror mirror on the wall
who's the freshest one of all,
I think that I am sassy,
I know that I am.
Mirror mirror on the wall.
Sassy girl that's what I'm called,
I think that I am sassy,
I know that I am.
I'm sassy, sassy as I wanna,
Picture perfect poster girl
yeah I'm off the wall.
Raise your hands my sexy girls,
my classy girl,
independent flashy girl.
Got your own cash floss rocks and pearls
Ride your whip with your sassy girl
My lipgloss and my bently,
my rings they cost your bently.
I am a sassy girl, I am
I am a sassy girl, I am.
My gucci to my prada
Shimmer powder to mascara
I am a sassy girl, I am
I am a sassy girl, Who me?
Mirror mirror on the wall
who's the freshest one of all,
I think that I am sassy,
I know that I am.
Mirror mirror on the wall.
Sassy girl that's what I'm called,
I think that I am sassy,
I know that I am.
S-A-S-S-Y
Sassy as I wanna be,
Sassy as I wanna be,
Sassy as I wanna be.
I'm sassy, Sassy as I wanna,
Motion picture movie girl,
Mrs. don't you wanna

Raise your hands my sexy girls,
my classy girl,
independent flashy girl.
Got your own cash floss rocks and pearls
Ride your whip with your sassy girl
My lipgloss and my bently,
my rings they cost your bently.
I am a sassy girl, I am
I am a sassy girl, I am.
My gucci to my prada
Shimmer powder to mascara

I am a sassy girl, I am
I am a sassy girl, Who me?
Mirror mirror on the wall
who's the freshest one of all,
I think that I am sassy,
I know that I am.
Mirror mirror on the wall.
Sassy girl that's what I'm called,
I think that I am sassy,
I know that I am.
S-A-S-S-Y
Sassy as I wanna be,
Sassy as I wanna be,
Sassy as I wanna be.
I am S-A-S-S-Y
Sassy as I wanna be,
Sassy as I wanna be,
Sassy as I wanna
All the boys that like my style,
six inch pumps, crocodile,
done right, jeans is tight.
Boys all night (Damn she fine),
Dior juicy couture.
eyeshadow.
coat is fur.
I ain't no amateur,
I'm a cover girl.
Mirror mirror on the wall
who's the freshest one of all,
I think that I am sassy,
I know that I am.
Mirror mirror on the wall.
Sassy girl that's what I'm called,

I think that I am sassy,
I know that I am.
I'm sexy, I'm classy,
so hard to wall pass me,
They call me sassy, that's right.
they call me sassy.
Mirror mirror on the wall,
haters wanna see me fall, (fall x4)
But I'm a cover girl.
Mirror mirror on the wall
who's the freshest one of all,
I think that I am sassy,
I know that I am.
Mirror mirror on the wall.
Sassy girl that's what I'm called,
I think that I am sassy,
I know that I am.
