

Is This the End

The Downtown Fiction

I've got posters on the wall
I hear your little call in the night
And when everything is wrong
I just listen to your song to make it right
Well my hero flew away
Just like a bird of prey took to flight
There's nothing I can say
To change another day of your life Is this the end
Is this the end
Or has our time gone out
Before it even begins?
Is this the end
Or has our time gone out
Before it even begins? Whoa-oh-oh-oh
Again Confusion settles in
Blowing faster than the wind
I can feel the albatrosses overhead
Await with patient dread for their meal
Happy melodies untrue
But still it sticks like glue
She says, "Loving is your loneliness"
"There's nothing left to prove"
But no matter what they say
Won't let 'em have their day
Break and die-hi-hi-hi Is this the end
Is this the end
Or has our time gone out
Before it even begins?
(Time__ Waiting__)
Is this the end
Or has our time gone out
Before it even begins?
(Time__ Waiting__) Whoa-oh-oh-oh
Again Our rivers flow into our time
We're parallel, side by side
Our rivers flow into our time
We're parallel, side by side
Whoo-oo-oo Well there's nothing you can say
To change another day of your life Is this the end

Is this the end
Or has our time gone out
Before it even begins?
(Time__ Waiting__)
Is this the end
Or has our time gone out
Before it even begins?
(Time__ Waiting__)Whoa-oh-oh-oh
Again
