

Movin' On (feat. Loren Allred)

[Jonathan Reid Gealt](#)

[verse 1]

Iâ€™m tired of fighting
And always feelin this pain
We used to be happy
we used to be sane
But everyday
it gets harder to see that our lives have both changed
Youâ€™re not the same person
But who is the one we should blame

[pre-chorus]

I canâ€™t keep on tryin
If all that Iâ€™m met with
Is more of the same

[Chorus]

So Iâ€™m Movin on
I donâ€™t wanna wait any longer
For you to discover
That you wanna be in my life
Yeah Iâ€™m Movin on
I wonâ€™t let you make me a fool
Itâ€™s clear you donâ€™t love me
The way I love you
So Iâ€™m Movin on
Hmmmmmm Movin on

[verse 2]

You say that you love me
And that your feelings wonâ€™t change
That weâ€™ll stay together
And all is the same
But tell me why Try to salvage
Something thatâ€™s so forced and trained
We both deserve better
A love thatâ€™s not tough or constrained

[pre-chorus]

so why keep on fighting
If all that weâ€™re left with

Is more of the same

[Chorus]

So Iâ€™m Movin on
I donâ€™t wanna wait any longer
For you to discover
That you wanna be in my life
Yeah Iâ€™m Movin on
I wonâ€™t let you make me a fool
Itâ€™s clear you donâ€™t love me
The way I love you
So Iâ€™m Movin on

[Bridge]

Believe me Iâ€™ll never stop loving you
Cuz part of my heart is yours
Baby letâ€™s quit while weâ€™re one step ahead
Agree that itâ€™s dead
And move on

Move on

Move on

Move on

I donâ€™t wanna wait for you babe

[Ending riffs]
