When I Get Paid

(Shead, Wilbon)

Jerry Lee Lewis

Album: The Sun Essential Collection

Transcriber: Awcantor@aol.com A-well, I work a-hard everyday-hey

Can't hardly wait to draw my pay

It's Monday mornin' and I'm on the job

Doin' the same old thing I'm just a-workin' hard Um-hm, Tuesday evenin' I'm at it again

Ain't had no rest since I don't know when

Wednesday mornin', I can't hardly see

Maaan, this work is killin' me! Thursday mornin' I just can't make it Well, I don't know how long this boy can  
take it-a Now let's go, shake it honey! The saxophone now! Oh well-a I work hard everyday-hey

Can't hardly wait to draw my pay

It's Monday mornin' and I'm out on the job

Doin' the same old thing, I'm just-a workin' hard Tuesday evenin' I'm at it again

Ain't had none of that rest since I don't know when-a

Wednesday mornin', can't hardly see

Maaan, this work is killin' me.~
