

# Need U 100% (DJ Constantin's Tropical Bliss Mix)

## Duke Dumont

I wanna be the one you call, every day and night  
Are you gonna be the one who's always gonna treat me right  
And when we get together turning down the lights  
Need you 100, need you 100 percent aI wanna be the one you tell all your friends about  
Baby I'll be the one you just can't do without  
You gotta give me everything, baby ain't no doubt  
Give me 100, need you 100 percentI wanna be the one you call, every day and night  
Are you gonna be the one who's always gonna treat me right  
And when we get together turning down the lights  
Need you 100, need you 100 percent ahI wanna be the one you tell all your friends about  
Baby I'll be the one you just can't do without  
You gotta give me everything, baby ain't no doubt  
Give me 100, need you 100 percentI wanna be the one you call, every day and night  
Are you gonna be the one who's always gonna treat me right  
And when we get together turning down the lights  
Need you 100, need you 100 percent ahI wanna be the one you tell all your friends about  
Baby I'll be the one you just can't do without  
You gotta give me everything, baby ain't no doubt  
Give me 100, need you 100 percentNeed you 100, need you 100 percent
