

# Give Me Love (TO THE THIRD POWER)

Ed Sheeran

Give me love like her  
'Cause lately I've been waking up alone  
Paint splattered teardrops on my shirt  
Told you I'd let them go  
And that I'll fight my corner  
Maybe tonight I'll call ya  
After my blood turns into alcohol  
No, I just wanna hold ya Give a little time to me or burn this out  
We'll play hide and seek to turn this around  
All I want is the taste that your lips allow  
My, my, my, my, oh give me love  
My, my, my, my, oh give me love  
My, my, my, my, oh give me love  
My, my, my, my, oh give me love  
My, my, my, my, oh give me love Give me love like never before  
'Cause lately I've been craving more  
And it's been a while but I still feel the same  
Maybe I should let you go  
You know I'll fight my corner  
And that tonight I'll call ya  
After my blood is drowning in alcohol  
No I just wanna hold ya Give a little time to me or burn this out  
We'll play hide and seek to turn this around  
All I want is the taste that your lips allow  
My, my, my, my, oh give me love  
Give a little time to me, or burn this out  
We'll play hide and seek to turn this around  
All I want is the taste that your lips allow  
My, my, my, my, oh give me love  
My, my, my, my, oh give me love  
My, my, my, my, oh give me love  
My, my, my, my, oh give me love  
My my, my, my, oh give me love M-my my, m-my my, m-my my, give me love, lover  
M-my my, m-my my, m-my my, give me love, lover  
M-my my, m-my my, m-my my, give me love, lover  
M-my my, m-my my, m-my my, give me love, lover M-my my, m-my my, m-my my, give me love, lover  
M-my my, m-my my, m-my my, give me love, lover  
M-my my, m-my my, m-my my, give me love, lover  
M-my my, m-my my, m-my my, give me love, lover (love me, love me, love me) M-my my, m-my my, m-my

my, give me love, lover (give me love)  
M-my my, m-my my, m-my my, give me love, lover (give me love)  
M-my my, m-my my, m-my my, give me love, lover (give me love, love me)  
M-my my, m-my my, m-my my, give me love, lover (give me love)My, my, my, my, oh give me love  
My, my, my, my, oh give me love  
My, my, my, my, oh give me love  
My, my, my, my, oh give me loveOf all the money that e'er I had  
I've spent it in good company  
And all the harm that e'er I've done  
Alas it was to none but me  
And all I've done for want of width  
To memory now I can't recall  
So fill to me the parting glass  
Good night and joy be with you allOf all the comrades that ever I had  
They are sorry for my going away  
And all the sweethearts that ever I had  
They would wish me one more day to stay  
But since it falls unto my lot  
That I should rise and you should not  
I'll gently rise and I'll softly call  
Good night and joy be with you allA man may drink and not be drunk  
A man may fight and not be slain  
A man may court a pretty girl  
And perhaps be welcomed back again  
But since it has so ought to be  
By a time to rise and a time to fall  
Come fill to me the parting glass  
Good night and joy be with you all  
Good night and joy be with you all
