Mario's Cafe

Saint Etienne

Cigarette, a cup of tea, a bun
Ooh, oohButton up your sheepskin Caraway
Rainy cafe, Kentish Town, Tuesday
Barry's looking through the Racing Post
Orders coffee, another round of toastLucy writes a letter
She'd like to spend an evening with Prince BWhen we meet for a while, Tuesday morning ten AM
When we meet for a while, Tuesday morning ten AM
Everyone's dreaming of all they've got to live for
Joking around, still digging that sound
Everyone's dreaming of all they've got to live forSqueezy bottles under Pepsi signs
Joe and Johnny chew the bacon rind
Jackie wants to meet the Glitter Band
Dilworth is a strange and lovely manAnd Eubank wins the fight
And did you see the KLF last night?When we meet for a while, Tuesday morning ten AM
When we meet for a while, Tuesday morning ten AM
Everyone's dreaming of all they've got to live for
Joking around, still digging that sound
Everyone's dreaming of all they've got to live forRainy cafe, Kentish Town, Tuesday
Joking around, still digging that sound
Everyone's dreaming of all they've got to live forWhen we meet for a while, Tuesday morning ten AM
When we meet for a while, Tuesday morning ten AM
When we meet for a while, Tuesday morning ten AM
When we meet for a while, Tuesday morning ten AMWhen we meet for a while, Tuesday morning ten AM
When we meet for a while, Tuesday morning ten AM
When we meet for a while, meet for a while
Meet for a while, meet for a while
When we meet for a while, meet for a while
Meet for a while, meet for a while
