Gypsy Lady

Peaches & Herb

I know a place where people go
A lovely lady tells them all they wanna know
And I'll be there for sure tonight
Just to hear the gypsy lady, tell it rightGypsy lady, I need you
Tell me where and when
I'll find a love that's new
Someone fine and trueGypsy lady let me know
Does my future hold
Someone who'll love me so
Someone who'll never goShe said, love was meant for both of you
Love that's rich and grand
Only you can make it true
Take each others hand
And love, she said, loveGypsy lady's always right
She brings lonely ones together every night
To hold each other tight
'Cause a gypsy lady made us see
I was meant for you
And you were meant for me, so let it beShe said, love was meant for both of you
Love that's rich and grand
Only you can make it true
Take each others hand
And love, she said, love
Love, love, love, loveGypsy lady gives advice
She said, we'd make love so nice
Give and you'll receive and I believeHere we are with love to give
Both of us so sensitive
Let's give, let's give love
Give love, gypsy ladyShe said, love, love
She said, love
Gypsy lady
Gypsy lady
Gypsy ladyGypsy lady
Gypsy lady
Gypsy lady
Gypsy ladyGypsy lady gives advice
She said, we'd make love so nice
Give and you'll receive and I believeGypsy lady's always right
She brings lonely ones together every night

Let's hold each other tightGypsy lady
Gypsy lady
Gypsy lady
Gypsy lady
