Hot Days

The Troggs

It was a hot day
The sun was shining down on the sea
It was a hot day
Was thinkin' 'bout my baby and meThen I got so excited
That I could hardly hide it
When I watched my baby
Cross the sands
And lay down by meIt was a hot day
Nothing but the blue skies above
It was a hot day
Think that I was fallin' in love
Then I got so excited
That I could hardly hide it
When I watched my baby
Cross the sands
And lay down by meWarm days
And summer nights
With my girl
Makes me feel just rightWarm sand
The sun and the sea
Who cares
As long as there's baby and meIt was a hot day
Lazing on the beach in the sun
It was a hot day
Nothin' but the sunshine above
Then I got so excited
That I could hardly hide it
When I watched my baby
Cross the sands
And lay down by me
