## Mobb Deep

It's about to go down real fast and quick  
We's about to go to war with these shotties and clips  
Somebody's gonna get murked in the streets of New York  
I keeps it thoro because i holds down the fort  
My nigga Ski got it under control  
And I will not stop what I'm doing till I get to old  
Cause the streets needs me right now to make hits  
And represent the hood I rep on my hits  
On a song I talk about drugs and money  
Selling coke and watcing crackheads live bummy.
