I'll Write A Song For You

Earth, Wind And Fire

I thirst but never quench, I know the consequence
Feeling as I do
We're in a spinning top, where tell me will it stop?
And what am I to say?
Open our music book, that only few can look
And I'll write a song for youLove is a symphony, hearts in one melody
'Cause I'll write a song for you
Sounds never dissipate, they only recreate
In another place
There's in your silent night, joy of a song's delight'Cause I'll write a song for you
You'll write a song for me
We'll write a song of love, of loveMy magical mystique, finding it all complete
In your lovely face
Feelings we try to chase, memories that won't erase
Stay forever new
We have a magic box in which is never locked'Cause I'll write a song for you
You'll write a song for me
We'll write a song of love, of loveLove yeah
We'll write a song of love my baby
Write a song of loveWe have a magic box
We write a song of love
We write, write a song of loveSounds they never dissipate
They only recreate
To another place or time
We just write a song, just write a song
Just you and me babyWe, we're on a spinning top
We write a song
We write a song
We write a song
