## System of a Down

Elimination, elimination, elimination  
Die, why? Walk down, walk down A whole race genocide  
Taken away all of our pride  
A whole race genocide  
Taken away, watch them all fall down Revolution, the only solution  
The armed response of an entire nation  
Revolution, the only solution  
We've taken all the shit, now it's time for restitution Recognition, restoration, reparation  
Recognition, restoration, reparation  
Watch them all fall down Revolution, the only solution  
The armed response of an entire nation  
Revolution, the only solution  
We've taken all the shit, now it's time for restitution The plan was mastered and called Genocide  
(Never want to see you around)  
Took all the children and we died  
(Never want to see you around) The few that remained were never found  
(Never want to see you around)  
All in a system, down  
Down, down, down  
Walk down  
(Walk down)(Watch them all fall down)  
Revolution, the only solution  
The armed response of an entire nation  
Revolution, the only solution  
We've taken all your shit, now it's time for restitution The plan was mastered and called Genocide  
(Never want to see you around)  
Took all the children and we died  
(Never want to see you around) The few that remained were never found  
(Never want to see you around)  
All in a System of Down
