We

We are (are are are are...)

We

We are...

And, uh, here come some normals...

They look like normal... Hawaiians.

Well, uh, you didn't mention what month.

You think you're normal?

Yes, quite normal.

OK, here comes one.

Go inside! (tee hee hee)

Well it's, ah, it's not for me to deter really, is it?

I mean, it's for a psychiatrist to deter these things, isn't it?

I like dehre food, and dey arr veddy nice people.

Ooh, its alright, innit?

That a face?

Smart. It's your backside.

Oh, they're just typically normal.

No! This is not manly!

Well, it is unusual. Well, it's like a rabbit! He's got a head on him like a rabbit!

I don't know, it's just not like normal people do.

You're not runnin' around in your underpants are you?

We are normal and we want our freedom

We are normal and we want our freedom

Wir sind gewhnlich, wir sind zufrieden

We are normal and we dig Bert Weedon, ha ha!

We are normal and we want

Our freedom

Our freedom

Freedom!

Freedom!

Freedom!

We are normal and we want our freedom!
