

Believer

Goldfrapp

A cupid on the go
No arrow and no bow, yeah, yeah, yeah
I thought you'd gone for good
I hadn't understood, yeah, yeah, yeah
Rushing like the sea
You've come back to me
I'm a believer, I'm a believer
I'm a believer in you now
I'm a believer, I'm a believer
I'm a believer in you now
Maker of a dream
Leading every scene, yeah, yeah, yeah
I needed to survive
Without you I would die, yeah, yeah, yeah
Rushing like the sea
You've come back to me
Now I'm saying
I'm a believer, I'm a believer
I'm a believer in you now
I'm a believer, I'm a believer
I'm a believer in you now
Dreaming, you're dreaming
Dreaming of the love
I need you now
Don't leave me now
I'm a believer, I'm a believer
I'm a believer in you now
I'm a believer, I'm a believer
I'm a believer in you now
I'm a believer, I'm a believer
I'm a believer in you now
