

Another Way To Die

Disturbed

The indulgence of our lives
Has cast a shadow on our world
Our devotion to our appetites
Betrayed us all

In apocalyptic light
More destruction will unfold
Mother earth will show a darker side
And take her toll

It's just another way to die!

There can be no other reason why
You know, we should have seen it coming
Consequences we cannot deny
Will be revealed in time

Glaciers melt as we pollute the sky
A sign of devastation coming
We don't need another way to die
Can we repent in time

The timebomb is ticking
And no-one is listening
Our future is fading
Is there any hope we'll survive

Still, we ravage the world that we love
And the millions cry out to be saved
Our endless maniacal appetite
Left us with another way to die!

It's just another way to die!

Ooh, can we repent in time?

Greed and hunger led to our demise
A path I can't believe we've followed
Black agendas rooted in a lie

Will we repent in time

Species fall before our very eyes
A world that they cannot survive
And left them with another way to die
Are we dead inside?

The timebomb is ticking
And no-one is listening
Our future is fading
Is there any hope we'll survive

Still, we ravage the world that we love
And the millions cry out to be saved
Our endless maniacal appetite
Left us with another way to die!

It's just another way to die!

(~30sec guitar solo)

Still, we ravage the world that we love
And the millions cry out to be saved
Our endless maniacal appetite
Left us with another way to die!

It's just another way to die!

Ooh, can we repent in time?

It's just another way to die!

Ooh, can we repent in time?
