

Love Sewn

The Wanted

(Verse)

Yea we fell, we fell so hard

We sold out

Yea, we fade and fade away

We never cut loose

There's nobody but you

Nobody else

(Nobody else)(Verse)

Yea we feel, we feel

All of the same things

You find, you find

All of my secrets

Lights up deep inside of me

I know you're always right, always right(Pre-Chorus)

So save your words

I'm bleeding inside

You see you're hurt

Got nowhere left to hide

And all this time

You're slipping away from me

Bring me to my knees(Chorus)

Now I'm lying on the floor

With no one else to blame

Torn apart and knowing

That I messed it up again

No, I don't recognize

Just what we used to be

And I can see you tearing at the seams

We cover up the scars

And never let them go

Stitch up our broken hearts

This love is sewn

(This love is sewn)Yea we try, we try

To leave them behind

All our mistakes

We stumble through a million fights

Every time we twist the knife we forgive, never forget

Never forget(Pre-Chorus)

So save your words

I'm bleeding inside
You see you're hurt
Got nowhere left to hide
And all this time
You're slipping away from me
Bring me to my knees(Chorus)
Now I'm lying on the floor
With no one else to blame
Torn apart and knowing
That I messed it up again
No, I don't recognize
Just what we used to be
And I can see you tearing at the seams
We cover up the scars
And never let them go
Stitch up our broken hearts
This love is sewn
(Sewn,)
This love is sewn
(Sewn,)
This love is sewn
(Sewn,)
This love is sewn
(Sewn,)
This love is sewn(Verse)
Yea we fell, we fell so hard
We sold out
Yea, we fray and fade away
We never cut loose
There's nobody but you
Nobody else(Chorus)
Now I'm lying on the floor
With no one else to blame
Torn apart and knowing
That I messed it up again
No, I don't recognize
Just what we used to be
And I can see you tearing at the seams
We cover up the scars
And never let them go
Stitch up our broken hearts
This love is sewnThis love is sewn, this love is sewn
This love is sewn, this love is sewn
This love is sewn, this love is sewn
This love is sewn, this love is sewn
