Eat Me Up Alive

Ratt

Oh yeah, ohTell me all your secrets now
As I lay you on the bed
Make believe in miracles
As I rip inside your headMake me see the notions
All your underlying best
Makes you feel the big tongue
[Incomprehensible]Wait till you see
What I've got
So won't you?Take me, eat me up alive
Make me feel your energy
Can take me if you tryTake me to the other side
Make me feel your energy
Eat me up aliveYou wasted all your energy
Why do you waste your breath?
[Incomprehensible]
You wanna make the bestTrying through your motions
Now that's all you're gonna get
Come a little closer
Was it something that I said?Wait till you see
What I've got
So come on nowTake me, eat me up alive
Make me feel your energy
Can take me if you tryTake me to the other side
Make me feel your energy
Eat me up aliveDo you realize
I cut you down to size?
What do you think of me
When you see?Take me, eat me up alive
Make me feel your energy
Can take me if you tryTake me to the other side
Make me feel your energy
Eat me up alive
(Eat me up alive)Take me to the other life
(Take me)
Make me feel your energy
Can take me if you tryTake me to the other side
Make me feel your energy
And eat me up aliveTake me
