

The Kenny Parker Show

Boogie Down Productions

Indeed truly we are the mighty mighty B.D.P. posse
This is our 4th album and we're still not takin' no shorts

Yeah, ha hah On the wheels of steel, is Kenny Parker

As we say, he can't get no darker

All about action, not a fast talker

All the whick whack sucker DJ's Gotta try much harder

My man Willie Willie Willie D

Taggin' up B.D.P. with a fat marker

And this is what's on today's charter Ha hah hah

All the ladies in the place throw your hands up in the air

B.D.P. rockin' without no fear

So Kenny Parker if you know what time it is

Throw the funky fresh beat in like this C'mon, ha hah

Well it's me, down with B.D.P.

KRS-One rocks any party

Rocks the beats and the breaks

Rock the socks off the frauds and the fakes The suckers shake while I'm creatin'

They get together and they start debatin'

How can we take him out one time?

So they push up the best with the freshest rhyme I might go first and he'll go second

I'll wreck him, deck him, say to him, "Just checkin' the mic"

Droppin' fresh styles I like

So throw up your hands and drop your mic 'Cause I'll go third and he'll go fourth

By the fifth you're dissed 'cause you lost

Six is your beat down, your title is seven

Takin' out your four man crew makes eleven

By the twelfth well I'll go for self, rockin' New York like no one else You can check any rapper from seventy-eight

A few have rocked their whole career straight

Some had dope twelve inches, count 'em

But not many crews had slammin' albums B.D.P. rocks consistently from Criminal Minded to 1990

Why? Well that's my secret baby

Here's a hint, the public pays me

So you can call me a public servant

Not a King but a teacher, I'll believe I earned it So I just walk or ride my bike

If I walk to a jam, well I'll rock the mic

Gimme a chance and I'll rock the house

But don't let a sucker try to take me out 'Cause male or female, I will strangle

If it's a crew, they'll have to untangle

Adidas, Nike's, arms, mics
Turntables suckers in the wheel of my bikeStep right up if that's what you like
But watch your head 'cause it'll fly like a kite
In the night at a height right for flight
Way out of sight, you bite, I reciteMy style is bright
Still you're sellin' out to white
As your fagot DJ would say
"Well alright" I am your mentor
Victory is mine, it's time you surrender
Sucker and just back up quickly
Your style is sickly but you persist to get meOr out wit me with the style that I created
Years ago when you was doin' a dollar fifty show
Oh, all of a sudden you don't know
Or can't remember, can't recall, can't bring to mindThat rhyme that place do not chase
I run a marathon a race of rhymes in your face
In case you bass, I'll erase your whole rap
Tell you right now, I ain't tryin' to hear thatI don't dress up to rap or keep a hairdo
I only grab the mic and bust holes in a crew
I deny your existence as artists
You're puttin' out a record expectin' to chartBut it's weak but when you speak through the microphone
You fail to realize nope, you're not alone on the earth
The light comes forth as K.R.S.
Intelligence force and love manifest in the fleshI snatch the mic and shed light
Behave, you're still a 20th century slave
Headed for the grave in a wave
So save the microscopic miniature small talk and walkAnd put a little pep in your step
KRS-One will destroy any ignorant reputation
In the nation, in creation
Princes, Kings, Queens or any occupationLike rappers with nuttin' to say
I crush those idiots and throw 'em away
'Cause no matter how fatter the wallet, I'd rather
Gather together and splatter whateverEgotistic mystics
With macho poses
If you ain't for Black
You're down for Guns 'N' RosesYeah, c'mon
Throw your hands in the sky
And wave 'em from side to side
And if you're in this life just gettin' by
Somebody say, "Alright, alright" DJ Kenny Parker takin' out these sucker DJ's
My man Willie D, never in a daze, ha hah
We got Symone in the house
We got, D-Square in the house
We got Ms. Melodie rockin' the soundset
My man D-Nice, hit it
