Betrayed (2005 Remastered Version)

Tankard

You tell me everything has be a lie
Words like a knife they cut and something diesYears are destroyed in a day - I'm betrayed
Don't even know what to say - I'm betrayed
I'm full of anger and pain - I'm betrayed
You're turning love into hate - I'm betrayedWhy were you messing 'round with other guys?
You cold have told me you're not satisfiedAll this time you were deceiving me
Now there's dirt on all my memoriesSo many words and feelings insincere
So disappointed I could almost cryYears are destroyed in a day - I'm betrayed
Don't even know what to say - I'm betrayed
I'm full of anger and pain - I'm betrayed
You're turning love into hate - I'm betrayedI just can't understand what happened here
I can't believe you lied so many tearsWhy oh why did you go on like this
Fooling me with one more poisoned kissI'm dead and empty now. To hurt to fell
You've taken everything, now go away!!!Years are destroyed in a day - I'm betrayed
Don't even know what to say - I'm betrayed
I'm full of anger and pain - I'm betrayed
You're turning love into hate - I'm betrayed
