

Party Like a Russian

Robbie Williams

[Intro]

Hey

Hey

Hey

Hey[Verse 1]

It takes a certain kinda man with a certain reputation

To alleviate the cash from a whole entire nation

Take my loose change and build my own space station

Just because you can, man

Ain't no refutin' or disputin' I'm a modern Rasputin

So contract disputes to some brutes in Louboutin

Act highfalutin while my boys put the boots in

Yeah you can, can

(Spasiba)

[Chorus]

Party like a Russian

End of discussion

Dance like you got concussion oh

Put a doll inside a doll

Party like a Russian

Disco seduction

Party like a Russian oh

Have it like an oligarch[Post-Chorus]

Oh oh oh oh (hey)

Oh oh oh oh oh oh[Verse 2]

I've got Stoli and Bolly and molly, so I'm jolly

And I'm always off my trolley, so I never say sorry

There's a doll inside a doll inside a doll inside a dolly

Hello, Dolly

I put a bank inside a car inside a plane inside a boat

It takes half the Western world just to keep my ship afloat

And I never ever smile unless I've something to promote

I just won't emote

(Spasiba)[Chorus]

Party like a Russian

End of discussion

Dance like you got concussion oh

We've got soul and we've got gold

Party like a Russian

Disco seduction
Party like a Russian oh
Have it like an oligarch[Bridge]
Raz, dva, tri, chetyre
Cause the Russian boys, we're everywhere
There's revolution in the air
Oh oh oh, oh oh oh[Chorus]
Party like a Russian
End of discussion
Dance like you got concussion oh
Put a doll inside a doll
Party like a Russian
Disco seduction
Party like a Russian oh
Have it like an oligarch
