Fight

Lars Frederiksen & The Bastards

Aggression hits With a mighty surge,
Like junkies to the dope mans doors.
I need a fix thats right.
All I wanna do is fight.Some times I win, sometimes loose.
All I wanna do is fight!
Some times I win, sometimes loose.
All I wanna do is-Oblivion the wince of insanity,
Dont you fuckin talk to me.
Death and violence I like,
All I wanna do is fight!Some times I win, sometimes loose.
All I wanna do is fight!
Some times I win, sometimes loose.
All I wanna do is
