

# All That's Best in You

## One Less Reason

Album: A Lifetime Burning  
Ok This is all that's best in you, a song for Elizabeth  
You've grown so much, you've  
come so far

I never thought we'd end up here  
You know I've seen this picture before  
Reminds me of when you were home  
Sometimes you're all I see  
Sometimes you're all I feel  
Wanted to tell you goodbye  
And know that you're safe  
Now that the pain is gone,  
The love remains  
Though all my faults turn out to be so true  
I couldn't see  
All that was best in you  
All that was best in you  
Worked so hard it broke your heart  
Robbed you of your smile that would save the world  
A friend now more for a friend I lost  
A friend that never left me unsure  
I am sure  
Wanted to tell you I lied  
Oh, I made mistakes  
And when I failed in life it was you I blamed  
Though all my faces you could see right through  
I couldn't see  
All that was best in you  
You are my hope (I'm giving in)  
You are the ink under my skin  
You are the day that I awake  
You'd be the only chance I'd take  
All I am and was before  
The things I love and I adore  
My handful of hope and a little more  
Wanted to tell you I tried  
To make it ok  
With just one letter gone I lost the name  
Of that little boy smiling back at you  
He couldn't see all that was best in you. That's it
