# He Paid It All

## The Foster Triplets

No more stars to call bright, no more sky painted blue the earth was filled with something strange and new
All the clouds of heaven were tainted red and All the angels just bowed their heads on that crucifixion day
everything was turned grey because the son of God was dying on that tree

Chorus
Oh my Jesus paid it all on the cross at calvary
Oh my Jesus he paid it all God turned heaven upside down to rescue me

He bore the weight of sin so that we may be clean and gave his own life to give me peace within
In the garden of Gethsemane Jesus pleaded and said "let this pass from me" he agonized for a prisoner of sin like me

Chorus
Oh my Jesus paid it all on the cross at calvary
Oh my Jesus he paid it all God turned heaven upside down to rescue me

As the sun rose where Jesus was laid he arose a conqueror a Victor, a winner he paid the price in full ( in full)
Jesus paid it all all to him I owe sin has left a crimson stain he washed it white as snow

Chorus

Oh my Jesus paid it all on the cross at calvary
Oh my Jesus he paid it all God turned heaven upside down to rescue me
