Glory & Consequence

Ben Harper & The Innocent Criminals

I am more afraid of living
than i am scared to die
i'm more afraid of falling
than i am of flying high
Every moral has its story
and every story has an end
every battle has its glory
and it's consequence
I'm more afraid of loving
than i am of being scorned
being scorned
but i will keep on trying
though i have been forewarned
Every moral has its story
and every story has an end
every battle has its glory
and it's consequence
and it's consequence
I would rather me be lonely
then you have someone to hold
i'm not as scared of dying
as i am of growing old
