Firefly (with Brett Anderson)

Blackfield

Firefly flying in circles
Til I die
Guide my way within the lines
I don't know where I amFirefly, on my tail this dying light
I don't know how long it will last
Before I meet the groundMoonshine over the mountain
No promise left, no true love waits
Speed up and then we slow down
Clocks in my skin are winding down
Firefly, I'm glowing in the dark tonight
Those tiny wings won't get me far
I'm pretty where I amFirefly, those funny sparkles in the sky
Got no compass, wandering on
Guided by the winds
Moonshine over the mountain
No promise left, no true love waits
Speed up and then we slow down
The clocks in my skin are winding down
