Chasing Satellites

Thomas Fiss

Oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, ohThey'd tell us we were too young every single day
We'd stand beside the ocean just to drift away
You're eyes we're out of focus, they carried me away
Oh no, Oh noWe're chasing satellites
Watch us burn the city tonight
We throw our hearts to the sky
Watch us burn, watch us burn from chasing satellitesOh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh
(x2)Just lie under the stars, and our hearts will light the way
Every single love will be the one that got away
Livin' like we're young, and getting better every day
Oh no, Oh noWe're chasing satellites
Watch us burn the city tonight
We throw our hearts to the sky
Watch us burn, watch us burn from chasing satellitesOh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh
(x2)We want it more, the faster the chase
It was too bright to look away
Oh, how we burned up through space
They thought we we're lost, but...We're chasing satellites
Watch us burn the city tonight
We throw our hearts to the sky
Watch us burn, watch us burn from chasing satellitesOh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh
Oh, oh, oh, oh
(x4)
