

I'm Crazy

Stitches

(Chorus)

I'm Crazy,

Crazy (x12),

I'm a motherfuckin' lunatic. (x2)(Verse 1)

Pull up to yo' momma house,

Shhh (Woo!), be quiet,

There's gonna be some violence,

All I wanna hear is silence (Shut up!),

Suppressor on my gun (Fringgg!),

Kill yo' momma for fun (Haha haha!),

Oh no, oh no, oh no (Oh no!),

Look what Adam done (What?),

If the police pull up (Fuck it!),

Nigga', Ima' have to just run (Run)

Laugh about it when I get to the crib (Why?),

Cause' I just got away with murder (Hahaha!),

No finger prints,

No evidence,

When I ran up in that residence,

She was there up on the couch,

With my dick up in her mouth,

Ha, ha, ha,

As I took a bitch out. (x2)(Chorus) (x2)

(Verse 2)

I'm talkin' to myself (Grr),

I'm losin' my mind (My mind),

I'm thinkin' 'bout killin' (Who?),

An old friend of mine, (Let's get it),

You turned your back on me (Pussy!),

You shoulda' never, ever, ever did that! (Grr!),

Ima pull up the chopper,

Ima rip that (Prr!),

Snap a nigga neck like a KitKat (Ting!),

You shoulda never, ever, ever did that! (Never!),

Now, I'm gon' pull a pussy nigga way back (Prr!),

(Chorus)
